

Name : Dr. Raj Kumar
Designation : Lecturer
Pay-Scale : Rs. 15600-39100 + AGP 6000/-
Total Salary : Rs. 38269.00
Working Experience : 12 Years
Qualification : M.Sc. (Physics), MCA, Ph.D. (Computer Science)
Research Area : Wireless sensor networks, Interconnection networks
D.O.B : 20-01-1970
E-Mail id : rajbhatiagkv@gmail.com
Contact No. : 01334-249053 (O), 09412991026
Papers Published : 03

1. **Vinod Kumar and Rajkumar** , “Deadlock Detection and Recovery Algorithm for Wormhole Routing in Meshes Without Virtual Channels”, Proceedings of the 2nd National Conference on Intelligent Systems and Networks, organized by Center for Advanced Technology, Haryana Engineering College, Jagadhary (Haryana) from Feb.25-26, 2005, pp. 174-180.S
2. **L. K. Arora, R. K. Bhatia & K. J. Bhatia**, “Study of Evolution for Interconnection Networks”, Proceedings of NCET 2007 : The National Conference on Emerging Technologies and Trends in IT 2007 organized by Institute of Technology and Science, Ghaziabad at India Habitat Centre, New Delhi during April 06 – 07, 2007, pp. 309- 315.
3. **Raj Kumar and Sharad Goyal**, “Conserving Energy of WSNs by using 3Rs way”, Proceedings On 4th National Conference on Computing for Nation Development, Feb. 25 – 26, 2010 (INDIACom – 2010), New Delhi.
