

Name : Dr. Vivek Kumar
Designation : Reader
Pay-Scale : Rs. 15600-39100 + AGP 8000/-
Total Salary : Rs. 56366.00
Working Experience : 22 Years
Qualification : Ph.D.
Research Area : Database System, Distributed Systems, Wireless Ad-hoc Networks
D.O.B : 30-06-1966
E-Mail id : vivekdcg@gmail.com
Contact No. : 01334-244229
Papers Published : 04

1. **Vinod Kumar and Vivek Kumar**, “Efficient Reliable Allocation of Joins in Distributed Database Access” in Proceedings of the National Conference on Networks and Distributed Systems, Organized by Osmania University, Hyderabad, Feb. 25-26, 2005 , pp. 164-173.
2. **Vinod Kumar and Vivek Kumar**, “Reliable Non Distributed join Allocation in a Distributed Database System”, in the proceedings of the Annual National Convention of Computer Society of India, 9-12 November, 2005 , pp. 237-246
3. **Vinod Kumar and Vivek Kumar**, “An Efficient Heuristic Approach for Optimal Allocation of Distributed Joins”, The Journal of The Computer Society of India, Mumbai; India (communicated).
4. **Vinod Kumar and Vivek Kumar**, “Assured Distributed Join Processing in Distributed Databases” Proceedings of the Asian Conference on Intelligent Systems and Networks(AISN-2006), organized by Center for Advanced Technology, Haryana Engineering College, Jagadhary (Haryana) from Feb. 24-25, 2006, pp. 459-464.

Seminar/ Conferences attended : 02
